SOMOCER GROUP créée en 1985, spécialisée dans la production et la commercialisation de carreaux céramique pour le revêtement mural et de sols (Faïence et grès porcelaine) et d'articles sanitaires (baignoire en fonte et baignoire en acrylique).

SOMOCER GROUP unit une tradition dans l'art de la céramique à un esprit vif et dynamique pour proposer sur le marché des collections raffinées, issues d'une recherche approfondie sur les tendances du marché et bénéficiant des dernières technologies.

Notre céramique se transforme en pierre, en bois ou en ciment. Nous offrons la céramique qui correspond à tous les goûts et pour tous les espaces, toujours avec une qualité absolue et un design exquis.

SOMOCER GROUP was founded in 1985, specializing in the production and sale of ceramic tiles for wall cladding and flooring (earthenware and porcelain stoneware) and sanitary ware (cast iron bathtub and acrylic bathtub).

SOMOCER GROUP unites tradition in the art of ceramics in a lively and dynamic mind to offer the market refined collections, from a thorough research on market trends and with the latest technology.

Our ceramic is transformed to stone, wood or cement. We offer ceramic for all tastes and for all spaces, always with the best quality and exquisite design.

A close-up photograph of a green leaf, showing a network of veins. The central vein is prominent and runs vertically down the center. Numerous smaller veins branch off from it, creating a symmetrical, fan-like pattern. The color is a vibrant green, with some areas appearing slightly lighter or darker due to the lighting and the texture of the leaf.
